Helpful Information to Consider for CBS Children and Youth Ministry

How can God's Word transform the lives of children and youth?

As you have been praying for the children in your life, we have been praying for you. Prayer is foundational to CBS Canada; all our classes are built on prayer even from the beginning dreams.

Please note that all our children and youth classes can operate in relation with an established adult class or as stand alone ministries.

Training is essential before using our method and materials.

What level is best for my group?

Choosing materials is important and we are more than happy to help you make your selection. For more information please contact catherine.martin@communitybiblestudy.ca.

You should choose your level taking into account the:

- age
- educational level
- Bible knowledge and
- spiritual maturity of your group.

This flexible guide can help you choose.

Level 1 – Preschool No reading is required. Three one-year courses that cover Old and New Testament stories. Includes a Leader's Guide with story, craft, memory verse, and activity instructions.

Level 2 – Primary Grades is for beginning (2A) and early (2B) readers. Level 2A is structured for early readers who are just beginning to learn how to have a personal Bible study. Level 2B is structured for students who are more comfortable answering questions that make them think and apply to their daily lives. Leader's Guide is available with ideas for activities and lesson aim.

Level 3 – Middle Grades is for accomplished readers. Leader's Guide is available with ideas for activities and lesson aim.

Level 4 – High School is for later teens up to adults and comes with a two-page commentary. Class format (music, food, games) should be adapted for teens. No leader's guide is available.
